Free Audio Editor is available for both iOS and Mac OS X. You can download it from the App Store for \$2.99. You are here [The Man on the Golden Bench](#) I don't know where it came from, but every year for many years, I've felt the need to read a work of literature about Jesus' conception of the Trinity. I'm not sure why I've been drawn to this concept. Maybe it has to do with my years of reading about the various theories for how Jesus was born. Or maybe I'm just a big "spiritual" person who longs for something more tangible. And while the other theories I've read have been great, nothing has been as satisfying to me as reading about Jesus' own thoughts on the subject. And I must say that one of my favorite books about Jesus is Robert Louis Stevenson's novella, [The Man on the Golden Bench](#). Stevenson himself was intrigued by the Trinity, so he wrote this story about Jesus and the debate that took place during his time concerning the divinity of Christ. [The Man on the 77a5ca646e](#)
