It's easy to get started with BigOven. Starting with your biggest dream, BigOven can help you turn it into a reality. With BigOven, you'll create personalized grocery lists, order your favorite foods, tell people about your recipes, and more. It's as easy as creating a grocery list. Using BigOven is simple. You can view recipes and grocery lists from your PC, the web or from your smartphone. You can search for recipes by food type, occasion, or even ingredients with keywords. Create, edit, and share your grocery lists with friends, too. Grocery lists are organized into categories: Meals, Soups, or Snacks. Just add the ingredients you need and pick a recipe for each meal. At the same time, find recipes for snacks, breakfasts, and cocktail parties. Sync your grocery list with the recipes you've discovered in your collection of over 2000 online recipes. You can also make shopping and meal planning even easier by keeping your collections organized and by saving the recipes you've picked to easily share with your loved ones.
