THE EPIC DISSECTING DRAMA GROWTH ACTION RPG. It's a fantasy action RPG where your party consists of multiple characters who wield weapons, armor, and magic, and you play as a prominent guild leader in the world. The story of this game takes place in a fantasy-like world full of excitement, rich details, and a mythological scale. You'll experience a vast world, high-scale battles, and the incredible stories born from a myth as the action RPG unfolds. Because it is an action RPG with a character customization system that allows you to freely combine the weapons, armor, and

---

magic that you equip, you can freely develop your character, according to your play style, such as strengthening your muscle strength to become a strong warrior, or mastering magic. Rise to be a guild leader and strengthen your guild by playing cooperative dungeons with other guild members to collect materials to use in growing your empire. Because online play exists between your desktop and smartphone, your characters and guild information that are stored on your device will be transmitted to the server, allowing you to feel the presence of others by using unique online functions, such as the conversation function.

**ABOUT TARNISHED:** Transform to an Elden Lord to face the Elden King's challenge of learning to wield the power of the Elden Ring Product Key.

The game is an action RPG where you freely customize your character to develop your character. Because it is an action RPG with a character customization system that allows you to freely combine the weapons, armor, and magic that you equip, you can freely develop your character, according to your play style, such as strengthening your muscle strength to become a strong warrior, or mastering magic. You can raise your warrior by killing enemies, form a solid defense by being proficient with weapons and

---

armor, and learn to wield magic. **BATTLEFIELD** In Tarnished, you can freely move your character and actions, creating a gameplay system that allows you to freely move around the battlefield, perform diverse actions, and fight opponents in battle. When you enter into battle, your style changes. When you open your eyes, a battle command will appear in your HUD. When you fight, you can freely move your character around, defeat opponents, and open powerful attacks. In addition to the combat action, you can also learn magic through battle that you can use to fight by yourself or work with your allies. **CHARACTERS** A vast world full

### 3. GAME MODES

- Creative Multiplayer The action RPG will be played in a shared world. If you become a participant in other players' online games, players and server capacities will be limited, and differences in skills and equipment between players are inevitable. But the basic guidelines of the rules of the game are also enforced in the online game environment. In the game, you can freely join another person's session or participate in their online game with strategies aimed at winning against others.
- Clan Wars Players can participate in Clan Wars, and can be a member of a Clan together. As you are connected, new players will be added to your Clan. You will be able to expand your Clan and fight against other Clans.
- Heroic Dungeon In addition to the current hero system, you can also participate in the "Heroic Dungeon" for the purposes of obtaining equipment, elixir, and other items that you can use for long-term use.

\*Quest The current quest mode has been expanded into an experience system for immersion. For example, if you become a player that

One of the most ordinary things in GTA Online is that it changes everyday, even during the daytime! Some players are used to the idea of playing at night, while others are surprised that there's not much to do in the dark! In GTA Online, at daytime, the dynamic is made up of daytime traffic between the large cities and between non-player characters of relevant

---

missions (looting, guards, robbery, scams, drugs, etc.). At night, there is little to do apart from a quick trip or going to a different place for a mission. In addition, the dynamic has been dramatically changed by the presence of nightlife in the game, where players can have an interesting experience through the nightlife of missions, crime and heists. The dynamic game is adjusted every day depending on the light or darkness. Daytime - dynamic can be done around the cities: the normal traffic is present, and some non-player character jobs (looting, robberies, etc.) are possible. During the night-time, during the period from the sunset to sunrise, the dynamic is the same as that during daytime, but nightlife is present in the game. When the sun sets at night, members of a gang will gather at the main street of a town and rob a taxi. After that, they proceed to the place where there's a party. The chaos continues for the night, but the dynamic
