Märchen Forest Original Soundtrack Free Download

Media Use: Product Information The Darkest Release Date: 11.01.2015
Category: Music (Soundtrack) Media Types: Features Join the Triptych Guild for an in-depth look into this release: 01. Arrival to Mrchen Forest 02. Konomedoki 03. Meguru Wa 04. The Darkest of All More on Märchen Forest You can also listen to the full soundtrack online here: Why? From the anime-derived game Mrchen Forest comes a 47 (+2) song original soundtrack!Chronologically arranged according to the game's story, this is a themed compilation that is full of all of the emotions that you experience while playing through the game!The compilation's title track, Konomedoki, sung by the main character, Mylne, offers an exhilarating music video in the style of a fairy tale.The remaining 44 tracks offer an insight into the dark depths of Mrchen Forest as you explore its dungeons, free from the burden of your "charm," playing through its twists and turns!The soundtrack closes with the anime-original theme song Meguru Wa, sung by Rosetta (VA: Kanon Takao), the main heroine of Mrchen Forest.She is the one who joins Mylne and his companions on their adventure in Mrchen Forest, despite her noble origin.Listening to her choruses helps to melt away the sorrow and regret of her past as she sings for the benefit of the girl-watching players.The player character also becomes involved in the girls' "love triangle," so we want the theme to also have a gentle atmosphere!Adding a touch of solemnity, the music video for Konomedoki includes only a piano as its accompaniment.We hope you enjoy the "You can use" music video and feel the excitement of starting a new adventure!The Original Soundtrack of Mrchen ForestThe "Cliche-Breaking" Classic Cinema Fans of the Mrchen Forest game have been waiting for this day for a long time.They have been watching the anime over and over again. It has now reached the year 2015, and with that we finally have the original soundtrack, "The Darkest of All"!It has been many years since Mrchen Forest was released. However, the all-new story was never released, due to various issues. It was a spin
