“This game is like having a new Wii.” “Elden Ring is a new type of game that is not only something that I can play all day long, but also something that I can play with my friends.” “I’m looking forward to this game.”  
WHAT ELSE DID WE GOT: If you want to know more about the world you are in, you can gain access to the Knowledge Tree. Adventurers in the Lands Between share knowledge on what happens in the world, allowing you to acquire uncommon items and gain bonuses. There is also an aspect to the game in which you can ally with other adventurers to exchange items and progress. If you want to maximize your power, you can enter the Forge and learn special skills. In addition, you can directly acquire items from the Forge. When you enter the Proving Grounds, you can obtain items for every level of battle. In addition, the Proving Grounds allows you to train, level up, and develop your equipment. If you want to enter the Ambient Missions, you can take on the role of a Mysterious Hero, assisting the Elden Ring by attacking the Non-Elden Rocks. You can also take on quests and battle against monsters to receive items. When you explore the world, you can encounter treasure chests that contain many items. • Vision of the World An intricate world where you’ll find adventure and discovery in every step. Although the game has also evolved into a world that lets you enjoy the free atmosphere of game, in which you can explore the world. There is a world divided into two sections: the free world where you can freely move and adventure, and the blocked world where you need to use your strength and skills to progress. Open fields and dungeons made up of three-dimensional designs and open ceilings are seamlessly connected. You can freely traverse the world where the unique environment changes as you progress. The diversity of the world allows you to encounter many types of enemies and monsters, making for a strong impression. New users can select the difficulty of the game that best suits them. • Choose Your Preferred Experience in Games The diversity of the world allows you to encounter many different types of enemies. **Story** The world of the Lands Between is being covered over with darkness. There is only one hope—the Elden Ring and the Elden Lords.

**Characters**

**Yuno** A youth who became an orphan as the Dark Forest spread over the Lands Between. His body is weak and frail, and he has not had a full year's growth. As a youth, he was raised by his caretaker, and then became the successor to the Elden Ring. During his adventures, he meets a young girl named Miel, and is able to touch her emotions. From that time on, the people around him are able to sense that something is wrong, and something evil is close at hand. During his travels, he meets a dark and evil being, and the Elden Ring is called into being to fight against it.

**Archemiel** The leader of the Seven Elden Lords, and also the holder of the Netherworld. After he was defeated in a civil war, he became the "Legend of the Wind", and the battle with the Elden Ring was taken over by one of the Seven Elden Lords. There is a grim and mature personality to him, and his appearance is stern and cold. However, he lacks strategy, and he is careless and incompetent.

**Alqard** A master swordsman and the "Prophet of Blades". There is a mysterious calm to him, and he has sharp eyes. He is a man who
